1 A "1" following a place name indicates that the place is cointensive with a MCD. A "2" indicates that the place is also a false MCD. In both cases, a MCD Name is shown only when it differs from the place name.

2 A "2" following a VTD code indicates an actual voting district. Its absence indicates that the VTD is a pseudo voting district or no information is available as to its status.

3 A "3" following a block number indicates that the block number is repeated elsewhere in the block.
